تاریخ حرکت

Don't miss the opportunity to meet varied ethnic groups of nomads with their specific lifestyles, dialects, and costumes in one political entity. Emigration and ranching have always been part of Iranian lifestyle from olden times. We put your hands in nomads' for you to find out the meaning of kinship and tribe. You'll also spend some days in Iran's outstanding cities to relax. In this trip, you face all three social lifestyles in Iran: Nomadic, Rural, and Urban.
